General Terms & Conditions

1. **Scope.** Implementation Work shall be completed by The Designer as per the designs finalised. It will be the day of commencement of Work. All Sundays / Holidays / days when work is not permitted to be done will be added to the timeline. A Workday is considered as 8 working hours, excluding 1 hour of mandatory lunch & tea breaks, during the day. All restrictions on work time like half-day work, work stoppage due to Force Majeure / Govt. Orders / Regulatory bodies' orders, will be added to the Work Time Plan.
2. **Design Finalisation** It is reiterated that once designs are finalised, any changes requested thereafter, causes restart of the entire design process for that area, all over again. Hence, it is in the interest of both parties that due deliberation is given to finalise the designs and thereafter, restrict the scope for change, unless extremely necessary. Charges for the same are listed below:
 - **Furniture Layout-** Minor changes are acceptable till 1 week after finalisation of layout. Major changes / more than 2 Minor changes shall be chargeable @ ₹ 2,000/

per Major Change / more than two Minor Changes, eg, each change in layout of furniture, incl modular furniture is considered as a Major Change.

- **LV, Electrical & False Ceiling Plans-** Unlimited revisions are allowed in the drawings until finalisation. However, only 1-time minor change, free of cost up to 5 days from the date of finalisation of plans, is acceptable. Any change thereafter, shall be chargeable @ ₹2,000/ per change. Any additional cost incurred due to the changed plan, shall be added to the Bills.
- **Fixed Furniture-** Unlimited revisions are allowed in the drawings until finalisation. However, only 1-time minor change is free of cost up to 3 days from the date of finalisation of plans. Any change thereafter shall be chargeable @ ₹ 2,000/ per change, provided the material for production has not been procured and/or resized as per the design to be implemented. In case any order has gone into production/material has been procured, the cost for the same, shall be borne by The Client.
- **Loose Furniture-** Unlimited revisions are allowed in the drawings until finalisation. However, only 1-time minor change is free of cost up to 3 days from the date of finalisation of plans. Any change thereafter shall be chargeable @ ₹ 2,000/ per change. However, NO change is acceptable after 5 days, or once the frame is made, whichever is earlier. In case any order has gone into production/material has been procured, the cost for the same, shall be borne by The Client.
- **Major Changes.** In case of any major change in the plan after the plans are frozen and/or work has commenced, will be reassessed, and considered as a new design/drawing/work.
- **Orders once confirmed / closed, cannot be cancelled and are 100% payable.**

3. **3D Visualisation**

- Conceptual Stage- 2 selected design options in 3D for each space as per views mentioned in Design Contract will be provided.

Please note, major changes in the 3D after finalization can lead to revisions in 2D drawings and affect the project timeline.

- Detail Finalisation- 2 selected finish combinations in 3D for each space as per views mentioned in Design Contract will be provided.
- Revisions. Minor revisions offered until finalisation of design, will be free, thereafter chargeable. These will be chargeable @ ₹3500/ per render view.

4. Client shall be responsible for any delay caused due to site restrictions / hindrances, delay in approving materials, or keeping approvals on hold for any reason.

Supervision of Execution. The Designer's team shall do periodic supervision and provide regular guidance. Supervision till the Original Timeline planned shall be complementary. 10 Days delay beyond the original timeline, shall be acceptable. Beyond that, there will be a Supervision cost @ ₹1,000/ per day, till Handover.

5. **Project Implementation and Completion.** Implementation of Work will depend on the finalisation of Design and Plans. Project Implementation is **Phase 2 of the Contract and Commences once the Designs are frozen, i.e. after completion of the DESIGN PHASE, ie Phase I.**

- As per the scope discussed till date, the project is likely to be completed within 120

Working days (**W+ 120**) from the **Date of Signing of the Finalised BOQ, Finalised Furniture & other plans and Receipt of Project Implementation Mobilization Advance**. In case of a major change in plans, the timeline shall be reassessed.

- To Commence W period, all three conditions need to be met, i.e., Signing of this Contract, Signing of finalised BOQ and Payment of Execution Advance to the Company.
 - W is the day of commencement of Work. Sundays will not be included in Work days. Similarly, Holidays (like Holi)/days when work is not permitted/restrictions are imposed on working, due to any reason, will also be added to the timeline.
 - The timeline also pertains to the freezing of all designs, except very limited revisions /changes, as elucidated earlier. All changes that may entail changes in the Timeline will be communicated. A detailed timeline shall be shared.
 - As detailed above, W shall be deemed to commence from the Date of Signing of the finalised BOQ, Finalised Furniture and other Plans and receipt of Project Implementation Mobilization Advance. All delays due to whatsoever reason shall be communicated on the "**Sharma Project**" group and preferably on the emails as in this document. After accounting and adjusting for all delays, the Final Completion Date shall be arrived at.
 - A Workday is considered as 8 working hours, excluding 1 hour of mandatory lunch & tea breaks. Work breaks during the day or as specified by the society's rules & regulations add to the timeline. The labour is expected to start the day around 10-10:30 am. Starting earlier than that regularly is not possible, even if society permits.
6. **Suspension / Termination of Project.** If the Client suspends/terminates the work on the project, it will be communicated in writing on mail to biraj@colonelz.com. All payments for the works done as per Work Schedule will be made within two working days, from the date of suspension/cancellation of the project. If No work is allowed on the Site for 15 working days, by the Client or the Building's Estate Management, for whatever reason, the work shall be deemed as Suspended. In the event of suspension, there may be a rate revision in case the prices of input materials go up by 5% or more. If work is still NOT permitted for 30 days, it will be deemed as Termination.

Design Implementation Payment Terms & Conditions

1. Work shall commence within 5 Business days from the date of receipt of Mobilization Advance & Work Contract, duly signed.
2. Payment Terms for the execution are as mentioned below (X being the completion time):
